IV. List of acronyms 18

I. Detailed agenda of the training course

Day 1 Introduction to ISO 37000 and governance of organizations

Section 1: Training course objectives and structure 5
- Introduction
- General information
- Learning objectives
- Educational approach
- Examination and certification
- About PECB

Section 2: ISO 37000 and international frameworks for good governance.....17
- What Is ISO?
- ISO 37000
- The advantages of ISO 37000
- Other ISO standards related to governance
- Related frameworks for good governance

Section 3: Foundations of good governance 30
- Governance
- Main concepts of governance
- Emergence and evolution of governance of organizations
- Theories that study corporate governance
- Good governance
- Value generated by good governance
- The role of ethics in governance
- Misconceptions about corporate governance

Section 4: Integrated governance 51
- Integrated governance
- Member stakeholders
- Governance and stakeholders
- Governance and management
- Governance and delegation
- Governance and sustainability

Section 5: The governing body.....84

- Definition of a governing body
- Composition and structure of a governing body
- Role players in governance
- Competencies of the governing body
- Applying the governance principles

Section 6: Purpose.....105
- Purpose: principle
- Purpose: rationale
- Definitions of organizational purpose
- Organizing framework of organizational purpose
- Understanding purpose-driven organizations
- Defining the organizational purpose
- Defining the organizational values
- Committing to the organizational purpose and values

Section 7: Value generation.....128
- Value generation: principle
- Value generation: rationale
- Organizational value generation model
- Defining value
- Creating value
- Delivering value
- Sustaining value

Day 2 Principles of governance

Section 8: Strategy 3
- Strategy: principle
- Strategy: rationale
- Setting strategic outcomes
- Establishing governance policies
- Engaging with strategic planning
- Steering the strategy

Section 9: Oversight.....25
- Oversight: principle

- Oversight: rationale
- Overseeing performance
- Governance oversight and ESG&D
- The IIA's Three Lines Model
- Obtaining assurance

Section 10: Accountability.....45
- Accountability: principle
- Accountability: rationale
- Demonstrating accountability
- Establish a compliance culture
- Ensuring effective reporting
- Holding to account

Section 11: Stakeholder engagement.....64
- Stakeholder engagement: principle
- Stakeholder engagement: rationale
- Stakeholder engagement strategies
- Stakeholder expectations
- The role of culture in stakeholder engagement

Section 12: Leadership 89
- Leadership: principle
- Leadership: rationale
- Setting organizational expectations
- Leading ethically and effectively
- Reconciling dilemmas
- Conflict management behaviors

Section 13: Data and decisions.....114
- Data and decisions: principle
- Data and decisions: rationale
- Perspectives on data for decision-making
- Recognizing data as a strategic resource
- Ensuring responsible data use

Day 3 Principles of governance (cont'd) and key governance outcomes

Section 14: Risk governance 3
- Risk governance: principle
- Risk governance: rationale
- The governing body's responsibility for risk management
- Selecting a risk assessment methodology
- Practicing effective risk management
- Overseeing risk management

Section 15: Social responsibility 28
- Social responsibility: principle
- Social responsibility: rationale
- Characteristics of social responsibility
- Sustainability
- The expectations of society
- Governance for social responsibility
- Addressing negative externalities and enhancing social responsibility
- Voluntary initiatives for social responsibility

Section 16: Viability and performance over time 48
- Viability and performance over time: principle
- Viability and performance over time: rationale
- Articulating an integrated view of value generation
- Assessing system relationships
- Assessing organizational performance
- Governing for organizational viability over time

Section 17: Governance outcomes 67
- Effective performance
- Responsible stewardship
- Ethical behavior
- Fostering ethics and integrity
- Ethical culture

Section 18: Governance maturity 85
- Governance maturity aspects
- Governance maturity measurement framework
- Governance maturity model
- Governance maturity improvement
- Governance maturity evaluation

- Governance maturity reporting

Section 19: Closing of the training course 109
- PECB certification scheme
- Attestation of course completion
- PECB certification process
- Other PECB services
- Other PECB training courses and certifications

II. Standards cited in this training course

- AA1000 Stakeholder Engagement Standard
- ISO 14001:2-15, Environmental management systems – Requirements with guidance for use
- ISO 26000:2010, Social responsibility – Guidelines
- ISO 37000:2021, Governance of organizations – Guidelines
- ISO 31000:2018, Risk management – Guidelines
- ISO 37002:2021, Whistleblowing management systems – Guidelines
- ISO 37004:2023, Governance of organizations — Governance maturity model — Guidance
- IEC 31010:2019, Risk management — Risk assessment techniques
