

# Implementing and Administering the FlexPod Solution (FPIMPADM)

## **Module 1: FlexPod Architecture and Implementation Overview**

- Overview of the FlexPod Solution
- Common FlexPod Architectures
- FlexPod Implementation and Administration Overview

## **Module 2: The FlexPod Network Layer**

- FlexPod Network Layer Components
- Cabling the FlexPod Network
- Configuring the FlexPod Network

## **Module 3: The FlexPod Storage Layer**

- FlexPod Storage Layer Components
- FlexPod Storage Cabling
- FlexPod Storage Configuration

## **Module 4: The FlexPod Compute Layer**

- FlexPod Compute Layer Components
- FlexPod Compute Configuration

## **Module 5: Overview of FlexPod Workload Solutions**

- FlexPod Virtualization Solutions
- FlexPod Application Workloads

## **Module 6: FlexPod Management Tools**

- FlexPod Cisco Management Tools
- FlexPod NetApp Management Tools
