

PRINCE2® Re-Registration

PRINCE2® Re-registration course from Koenig is designed for those professionals who wish to renew their [PRINCE2® Practitioner](#) status in a convenient and cost effective manner. According to the examination board of PRINCE2®, all practitioners must be re-registered within 3 to 5 years of getting their PRINCE2® certification. This PRINCE2® re-registration training aims at updating and refreshing your knowledge with respect to recent modifications and developments in the PRINCE2® methodology.

The one-hour examination is set by PRINCE2® board at the same standard level as the PRINCE2® Practitioner exam. Our advanced teaching methodology includes theory as well as practical sessions to reinforce concepts and maximize your learning experience. So renew your [PRINCE2® Practitioner](#) status now with this training course aimed to help you maintain your PRINCE2® certified status.

The re-registration qualification enables you to demonstrate your commitment to continuing professional development and the currency of your knowledge of PRINCE2® to employers, peers and colleagues. The PRINCE2® re-registration exam comprises an exam paper set at the same standard as the Practitioner examination and is based on the 2009 PRINCE2® Manual.

Examination Format

- Objective testing
- 3 questions - 10 question items per question, each worth one mark
- 17 marks or more required to pass (out of 30 available) - 55%
- 1 hour (60 minute) duration, no additional reading time
- Open book exam (official PRINCE2® manual only).
