

PECB Certified ISO 22000:2018 Transition

Gain the necessary competencies to guide and support organizations transition from ISO 22000:2005 to ISO 22000:2018

Why should you attend?

The ISO 22000 Transition training course enables you to gain a thorough understanding of the differences between ISO 22000:2005 and ISO 22000:2018. During this training course, you will be able to acquire the necessary knowledge and expertise to support an organization in planning and implementing the process of transitioning from an ISO 22000:2005 Food Safety Management System (FSMS) to ISO 22000:2018 in a timely manner.

After becoming acquainted with the new concepts and requirements of ISO 22000:2018, you can sit for the exam and apply for a "PECB Certified ISO 22000:2018 Transition" credential. By holding a PECB Transition Certificate, you will be able to demonstrate that you have the practical knowledge and professional capabilities to successfully apply the ISO 22000:2018 changes to an existing FSMS.
