

PECB Certified ISO 30301 Lead Auditor

Master the Audit of Management Systems for Records (MSR) based on ISO 30301

Why should you attend?

ISO 30301 Lead Auditor training enables you to develop the necessary expertise to perform a Management System for Records (MSR) audit by applying widely recognized audit principles, procedures and techniques. During this training course, you will acquire the necessary knowledge and skills to plan and carry out internal and external audits in compliance with ISO 19011 and the certification process according to ISO 17021-1.

Based on practical exercises, you will be able to master audit techniques and become competent to manage an audit program, audit team, communication with customers, and conflict resolution.

After acquiring the necessary expertise to perform this audit, you can sit for the exam and apply for a “PECB Certified ISO 30301 Lead Auditor” credential. By holding a PECB Lead Auditor Certificate, you will demonstrate that you have the capabilities and competencies to audit organizations based on best practices.

Who should attend?

- Auditors seeking to perform and lead Management System for Records (MSR) certification audits
- Managers or consultants seeking to master a Management System for Records audit process
- Individuals responsible for maintaining conformance with Management System for Records requirements
- Technical experts seeking to prepare for a Management System for Records audit
- Expert advisors in Records Management
