

TABLE OF CONTENT

Total duration 3 Days

No. of hrs per day 8 hrs

DAY-1

Module 1: Course Introduction

Let's Get to Know Each Other

Overview

Course Learning Objectives

Course Agenda – Day 1

Course Agenda – Day 2

Course Agenda – Day 3

Case Study

Activities

Course Book

Module Summary

Module 2: Cloud Service Management Fundamentals

Module Learning Objectives

Module Topics

History of Cloud Computing

Basics of Cloud Service Management

Activity: Basics of Cloud Service Management

Service Perspectives

Relationship with ITSM

Cloud Service and Support Models

Module Summary

Module 3: Cloud Service Management Roles

Module Learning Objectives

Module Topics

Cloud Management Roles

Service Management Roles

Organizational Roles

Module Summary

DAY-2

Module 4: Cloud Service Strategy

Module Learning Objectives

Module Topics

Cloud Strategy Fundamentals

Key Drivers for Adoption

Risk Management Overview

Module Summary

Module 5: Cloud Service Design, Deployment, and Migration

Module Learning Objectives

Module Overview

Module Topics

Basics of Cloud Service Design

Dealing with Legacy Systems, Services, and Applications

Benchmarking of Cloud Services

Cloud Service Capacity Planning

Cloud Service Deployment and Migration

Cloud Marketplace

Module Summary

Module 6: Cloud Service Management

Module Learning Objectives

Module Topics

Cloud Service Management Perspective

Cloud Service Level Management and Service Assurance

DevOps in a Hybrid IT and Cloud Computing Environment

Managing Cloud Service Configurations

Change Management for Cloud Computing Environments

Reacting to Demand for Cloud Services

Module Summary

DAY-3

Module 7: Cloud Service Economics

Module Learning Objectives

Module Topics

Pricing Models for Cloud Services

Procurement of Cloud-Based Services

Cloud Service Charging

Cloud Cost Models

Module Summary

Module 8: Cloud Service Governance

Module Learning Objectives

Module Topics

Basic Governance Definitions

Cloud Governance Framework

Cloud Governance Considerations

Module Summary

Module 9: Showing the Value of Cloud Services

Module Learning Objectives

Module Topics

Understanding the Value of Cloud Services

Linking the Value of Cloud Services to Strategy

Measuring the Value of Cloud Services

Module Summary

Module 10: Popular Service Management Frameworks

Module Learning Objectives

Module Topics

Best-Practice Frameworks

ISO Standards

Governance Frameworks

Cloud Standards

Module Summary

Case Study

Introduction to PureNRG

Need

Challenge

Solution
