S4F72 - Contracts and Conditions in SAP Contract and Lease Management for SAP S/4HANA

Duration: 2 Days (16 hours)

Course Summary:
This course provides information about SAP Real Estate (RE) contracts and related business processes, including contract-related postings, contract notices and renewals, and changes to contract conditions. It also covers important configuration settings for these processes. Additionally, the training includes SAP RE contract management within SAP S/4HANA using FIORI, and details key components such as contract types, objects, partners, terms, and conditions, along with contract-related postings and account determination.

Table of Contents:

- SAP RE contract management with SAP S/4HANA and FIORI
- SAP RE contract types
- SAP RE contract objects
- SAP RE contract partners
- SAP RE contract conditions
- SAP RE contract terms
- Contract-related postings
- Account determination
- Overview on important configuration settings for contracts and contract conditions
