Introduction

Certified Service Desk Professional

The GSDC Certified Service Desk Professional certification is designed for individuals seeking to enhance their skills and knowledge in the field of service desk management.

The Certified Service Desk Professional credential signifies mastery in key areas such as incident management, problem management, service level management, and customer service.

With the ever-increasing reliance on technology in today's world, this certification equips professionals with the necessary competencies to deliver top-notch service desk solutions and contribute to organizational success.

Obtaining the Service Desk certification demonstrates a commitment to excellence in service delivery and opens doors to exciting career opportunities in IT service management.

Learning Objective

- ☐ Implement best practices in service desk operations
- ☐ Strengthen knowledge of IT service management principles
- ☐ Enhance troubleshooting and diagnostic skills
- ☐ Streamline service desk processes for increased efficiency
- ☐ Foster a customer-centric mindset in service delivery
- ☐ Stay updated with emerging technologies and trends
- ☐ Build strong relationships with end-users and stakeholders
- ☐ Contribute to continuous improvement initiatives in service desk operations

Speaker invites @ GSDC Webinar Series

Share your knowledge with world at GSDC global webinar series, share your expertise and learn from others.

Downloadable Resources

Get access to templates and reference documents which will help you to do your day to day tasks easier.

Certificate Upgrades

Get complimentary certificate upgrades to keep up with the latest updates in processes and frameworks.

Newsletters, blogs with industry insights

Get newsletters, announcements and articles curated by experts direct to your inbox.

AI Based Role Play

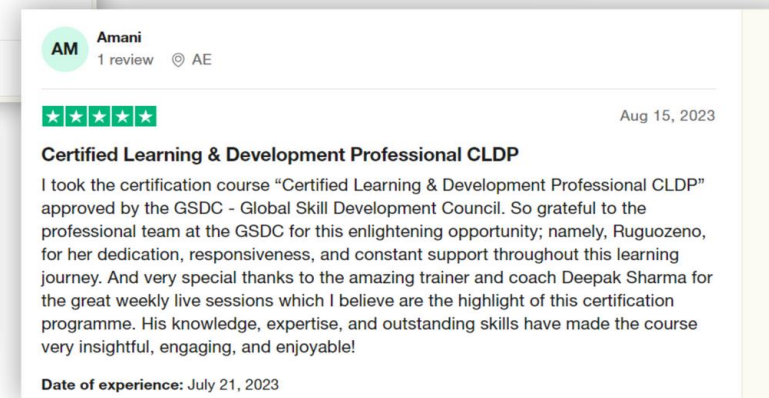

Learn to implement applicability of knowledge with real life simulation based games.

What You Get In this Certification Program?

- Engaging digital learning videos
- Exclusive access to Global thought leader sessions & case studies
- Downloadable and implementable resources to support practical application
- Two mock exams with unlimited attempts for comprehensive preparation
- Certification exam voucher with 1-year validity
- Two attempts for certification exam

What our Candidates Saying?

We greatly appreciate the feedback from our program participants on Trustpilot. With an impressive average rating of 4.7 out of 5, their reviews highlight the positive experiences and value they have gained from our program.

Expert-Led Generative AI: Learn, Connect, Grow

☐ **Interactive Learning Experience:**

Ask questions, discuss case studies, and receive implementation guidelines directly from expert, enhancing your understanding of complex AI topics

☐ **Lifelong Learning Journey:**

Enjoy lifetime access to these sessions, ensuring you stay updated with the latest trends and continuously grow your AI expertise

☐ **Career-Boosting Network:**

Connect with fellow professionals in the field, creating valuable relationships that can propel your career in the world of Generative AI

AI-Based Interview Practice Platform

- ☐ Engage With Real Time AI Interview Questions.
- ☐ Practice Questions Tailored with Your Expertise.
- ☐ Validate your Knowledge of subject Matter.

Capstone Project

- ☐ Apply Your Skills in Real World Scenario.
- ☐ Learn Methodologies Aligned to Your Expertise.
- ☐ Validate Skills and Knowledge Gained through the Certification.
- ☐ Showcase Expertise via a Capstone Project.
