COURSE OVERVIEW

Online courses provide a great opportunity to learn about professional ethics in an easy and convenient way. In this course, you will learn about the basics of professional ethics and how to properly deal with ethical issues in your practice. The course is also designed to help you develop skills that will help you in your everyday work life, such as effective communication and critical thinking. This course is designed to be self-paced and can be accessed anytime, anywhere as long as you have an internet connection. There is no limit to the number of times you can complete the course content and you can log out and return later without losing your place in the course.
