The new centre is being positioned as a learning hub for more than 1,000 students, mostly from the Gulf, Africa, Europe and the USA. Koenig will focus on cyber security programmes such as CEH, Microsoft Dynamics, Cisco Security, SharePoint and also emphasise on project management as well as leadership skills, said Koenig.

Koenig Solutions CEO Rohit Aggarwal said, "We are proud to announce the opening of our new training centre in Dubai, which is expected to address the demand for IT and cyber security learning courses in the region. This new state-of-the-art facility is expected to

further consolidate our reputation as a leading provider of high quality IT education, opening our doors to students coming from the Middle East, the Gulf, Africa, Europe and the USA."

The Indian IT training provider trains leading IT companies such as Microsoft, Cisco, Oracle, VMware, Red Hat, SAP, Novell, EC Council, Adobe, Apple, Autodesk, SCRUMstudy, Check Point, PRINCE2, PMI, Salesforce, Zend, EMC, Citrix, Android, Symantec, IIBA, SAS, Linux Professional Institute and CompTIA.
