Koenig forays into Thailand with Virtual Training Centre

New Delhi, India, April 17, 2014 –Koenig Solutions Ltd., global leaders in offshore IT Training, today announced the launch of Virtual Training Centre(VTC) facilities in Bangkok, Thailand. VTC is an innovative initiative by Koenig wherein one can acquire high-end and job-oriented IT training and certification, while enjoying an exotic vacation. This is an apt solution for the quintessential professional who loves to experience the splendor of picturesque destinations and at the same time wishes to stay a step ahead in IT.

Commenting on the new launch, Mr. Sandeep Dhawan, Vice President, Koenig Solutions Ltd, said, "Koenig Solutions realizes the importance of striking a balance between professional and personal interests for students. Koenig VTC will allow such individuals to polish their IT skills while they are touring and experiencing exciting new places."

The first camp for VTC is available at Bangkok, Thailand. Koenig has partnered with various institutes and hotels in Thailand and they will provide assistance for all arrangements including accommodation, travel, organizing exam at testing centre, etc. Enrolled participants will also have the benefit of exploring the culture and cuisine of Thailand – an explorer's paradise.

This is Koenig's second international venture. Dubai, where Koenig already has a full-fledged training campus operational since October 2011, being the first.
