Koenig Solutions Forays into India Market with Launch of New Bangalore Campus

Unveils Vision for the Next 20 Years with an All New Brand Identity

Bangalore/New Delhi, India, January 7, 2014 – Koenig Solutions Ltd., global leaders in offshore IT Training, today announced its foray into the India market with the launch of an all new state of the art IT training and certification campus in Bangalore. This will be Koenig's seventh training centre in total and the first focused totally on the domestic IT sector, apart from being India's silicon valley's first truly world class facility for globally acknowledged IT courses and certifications.

Sharing his thoughts on the occasion Mr. Rohit Aggarwal, CEO and Founder, Koenig Solutions Ltd, said, "We were being persuaded by our global corporate customers in particular, to open up a larger Koenig facility in the city and we are happy that we have been able to deliver to their expectations like we always strive to do. We also take the opportunity to reveal our 'Step Forward' vision for the next 20 years of Koenig, complete with a totally new logo and new brand identity. Koenig's success has been a result of great team work and I express my deepest gratitude towards the winning team at Koenig for our continued success."

The likes of EMC, Infosys, TCS, COLT, Cognizant, IBM, NTT data, Schneider Electric, Century link, Thomson Reuters, Accenture, Sonata Software and Intuit have already committed to send their employees for training at the centre which aims to train and certify up to 3000 IT professionals in high-end courses related to Cloud, Data Analytics, Networking, Information Security technologies among others.

The new campus apart from being a completely green building will also house as many as 24 training rooms with a seating capacity of 136 students at a time including five rooms dedicated to the concept of Live Virtual Classrooms (LVC training). Designed by M/s IDP (Interior Design Planning), the centre will also have two cafeterias and a data centre. The centre has been built on a total area of 18135 sq.ft. at a cost of Rs 3 crore. More than 100 of the world's most sought after IT courses from an employability point of view can be availed at the Koenig Bangalore centre
