VMware award for Koenig

Koenig Solutions Ltd., today announced that it has received the VMware Partner Network Training Partner of the Year award for the Asia Pacific Region and the VMware Authorized Training Center Partner of the Year 2013 for SAARC region. Koenig received the awards at VMware Partner Exchange 2014, VMware's annual partner event, held in San Francisco last month, and Partner Exchange on Tour at Hyderabad, India, last week, respectively.

"We are pleased to acknowledge the achievements made in 2013 by our partners within the region," said Vicki Batka, senior director, APJ Channel Sales & Alliances, VMware. "VMware is dedicated to educating and equipping our partners with the resources they need to master the new reality of the software defined enterprise that enables more agile delivery of IT services – for organizations of all sizes. We congratulate Koenig Solutions Ltd. on winning a VMware Partner Network Award and look forward to our continued mutual success in 2014."

"We are delighted to have won these awards. Such recognition by our valued customers helps to drive us towards excellence and acts as a motivating factor as we head towards our goal of making Koenig the IT training hub of the world. Koenig today is a truly innovation-driven and technologically-advanced global learning centre for high-end IT skills and we shall continue to ensure that we keep contributing in holding India's flag high in the global IT industry," said Mr. Rohit Aggarwal, CEO and founder, Koenig Solutions Ltd.

Asia Pacific region recipients of a VMware Partner Network Award were acknowledged in 11 categories for their excellence in performance and distinctive achievements during 2013. Categories included:

- Distributor Partner of the Year
- End User Computing Partner of the Year
- Emerging Markets Distributor Partner of the Year
- Emerging Markets Solution Provider Partner of the Year
- Enterprise Solution Provider Partner of the Year
- Renewals Partner of the Year
- Rising Star Partner of the Year
- Service Provider Partner of the Year
- Software Defined Data Center Partner of the Year
- Solution Provider Partner of the Year

About VMware Partner Exchange 2014

VMware Partner Exchange 2014 is the leading global event for virtualization and cloud partners, bringing thousands of members from the VMware partner ecosystem together to discuss the future of the industry. With more than 190 breakout sessions and an exhibitor Solutions Exchange, partners gain valuable insight on how to leverage new technologies to deliver next generation enterprise hybrid cloud solutions to customers.
